Mask mandates and Vaccine mandates

Good evening,
I'm urging you to lift the mask mandate now. 70,000 people packed into a stadium without masks to watch the Superbowl, yet children have to wear a mask. It is complete lunacy and we are destroying our kids mentally. They have carried this burden for way too long and it is time we take the masks off of them. Roseville School District has already lifted the mask mandate in their classrooms, so I know you can do the same.
