## SSC School District and Charter School Financial Projection Dartboard 2022-23 Governor's Budget

This version of School Services of California Inc.'s (SSC) Financial Projection Dartboard is based on the 2022-23 Governor's Budget proposal. We have updated the cost-of-living adjustment (COLA), Consumer Price Index (CPI), and ten-year T-bill planning factors per the latest economic forecasts. We have also updated the Local Control Funding Formula (LCFF) factors. We rely on various state agencies and outside sources in developing these factors, but we assume responsibility for them with the understanding that they are general guidelines.
