No more mandates - no masks, no C19 Vaccines

Hi there

With the state mask mandate being lifted on March 12th, now is the time for the district to follow! Masks should be a parents choice, not a requirement of the school district. Same goes for C 19 vaccines. That should be left up to the parents - no more masks. No vaccine requirements for Covid. It's been two years, it's time to get on with our lives and let our kids BREATHE!
