

## MOF Summer Projects 2023

### **Altamont Creek:**

Re-painting curbs and crosswalks.

Add Hydration Station.

### **Arroyo Seco:**

Create office space by splitting Room 8 (Building walls, adding two interior doors).

### **Christensen:**

MPR Roofing.

### **Croce:**

Restripe parking lot.

Room 5 Croce: Removed walls from small office space to open up the room and add more floor space.

### **Del Valle:**

Paint the West side of building.

### **District Office:**

Build a wall where the Executive Assistant's office was located and add a door to provide work space for Early Literacy coaches.

### **East Avenue:**

Roofing work on Library Building/Band building.

Paint the Library Building/Band building.

Help prep for restored garden area.

### **Granada High:**

Add hardware to boys' locker room doors at the gym.

Add donated HVAC unit to Counseling area.

Add mini split to Custodial Office.

Remove old gas wall heaters in counseling center.

**Jackson Avenue:**

Repair school sign: sand/paint/smooth and repaint letters.

**Junction:**

Roof coatings on several roofs/Building D.

**Lawrence:**

Add water/sink/drain to Room 22.

Work on garden area: Remove top soil, help prepare for a more vigorous garden club.

Remove grass area at front of school; add tree and mulch.

**Livermore High:**

Roofing work over the main building.

Replace theater curtains.

**Marylin Ave:**

Install HVAC unit in parent center/kitchen.

**Mendenhall:**

Work on track/field area irrigation and smooth surface.

Add sound absorbing tiles in the woodshop.

**Michell:**

Adjust cameras to the site-preferred views.

Replace dispensers in classrooms and restrooms.

Build a wall between the gym and classroom for soundproofing.

**Rancho Las Positas:**

Remove door from Principal's office to break room; soundproof and close the wall.

Add hot water to Science Room 11.

**Smith:**

Plant new trees where windstorm of 3/14 knocked them down on backfield.

**Sunset:**

Add Pelican thermostat controls to areas that were not yet covered: Admin, MPR, Building F.

**Vineyard:**

Remove several old almond trees that are dying.

**Work at ALL locations:**

Fire alarm inspections.

Fire extinguishers inspected & recertified.

Fire suppression systems inspected.

Deep cleaning by custodial staff.

Ground-level electrical vault inspections.

FIT Inspections walks.

Wood floors in gyms cleaned/sealed.
