Good evening Board Members of the Undignified Board of LIVERMORE School district PUPPETS FOR NEWSOME, And the Mask POLICE NAZI"S tyrannts of the world!!

I want to thank the teachers first, those that don't push masks and are for choice and love our kids.. you deserve to make more than this board does. Undignified people, when are you going to listen ? Many States have removed these mask madness mandates. YOU are the only tyrannts still today imposing this on our children and posting it on signs, like Emma Smith message board as of Friday said "WATCH YOUR DISTANCE",,. and Mask up LIVERMORE... Your harmful mentality and fear message is Mask the kids and the whole city... Mask Covidians have gone MASK WILD... HEY MASK YOUR DOG And cat too while your at it.? Take a shower with your mask...that's your choice, not mine or my children. Where is your accountability? When will you stop this stoopid mask phobia? YOU ARE NEGLIGENT Sure you are, you have the studies, the mental health of our children that is at crisis leveisl and you continue to add fuel to the fire. Making our children miserable to go to school restricted-Are our children any different than these children in other numerous states that banned them months ago? I urge you to make a motion at this meeting to Make Masks and vax optional or we will continue our quest to remove you from the board for not taking action and find you guilty of abuse. States that are normal and considerate of parents choice are ; Listen up VAnschmuck---Bueno here it is:

Virgina, Utah, Texas, Tennessee, South Carolina, Oklahoma, Montana, Iowa, Florida, Arkansas, Arizona --

Glenn County, in Northern California, Hamilton Unified Supt. Jeremy Powell said he is opposed to the rule. "As a public educational leader, I can not continue enforcing policies not only I do not support but rather feel are bordering on child abuse," Powell wrote Monday on Twitter.

Wheatland Union High School District, where officials in June penned a letter to state health officials expressing concern over the mask mandate.

With vaccination rates increasing, and children apparently less susceptible to the virus, Supt. Nicole Newman wrote, continuing a mask mandate would only serve as "a constant reminder to the students of the fear and uncertainty they experienced during the peak of the pandemic."

"Our vote to not support, enforce or comply to Governor Newsom's vaccine mandate for our K-12 schools was made after much thought and after listening to the many voices throughout our community," said Christine Noble, president of the Calaveras Unified school board. "Our vote was not made lightly, but the need for personal choice was clear. It is

not ethically moral for me to impose this mandate on our students and dismiss parental choice.”

“We’re listening to parents. We get input every time we go to the grocery store,” said Jenny Eltringham, president of the Mark Twain board, which voted unanimously Nov. 4 to ignore the mandate. --- So the message is clear, Give Parents choice or Resign now in disgrace. Make the right CHOICE and VOTE NOW FOR CHOICE ----EMERGENCY \_\_EMERGENCY EMERGENCY--- STATE OF EMERGENCY-- THE MASK POLICE HAVE GONE CRAZY-COVIDIANS HAVE COVIDIAN PHOBIA--- STAND ^ 6 FEET AWAY THEY WANT TO RESTRICT HEALTHY BREATHING , Stay Safe America, remove the viruses that affect our freedoms.
