Mask/vaccine mandates

My daughter who is in third grade hates wearing the mask. It is emotionally and physically making a negative impact on her. It has got to the point where she doesn't even enjoy going to school. Also, when I pick my poor Preschooler up his mask is soaking wet cause he sucks on it which then makes it hard for him to breath. If this continues my family will be pulling our kids from the district. Same will happen if vaccines are mandated.
