Thank you for Masking!

Board Trustees,

I would like to share my appreciation for your decision to follow local guidelines to require masks for all individuals in schools. As a parent of young kids ineligible for vaccines, masks are the only protection they have. We know based on the data that just masking my own child is not sufficient to decreasing Covid-19 transmission. We all need to come together to protect our children. Thank you again for your leadership in this stressful time.

"I appreciate how you are making sure we are all safe when we are doing school. I really appreciate that you are making sure we learn things. I appreciate you a lot." - Dictated by Cora, age 6

-Brittni Kiick, parent of Cora, 1st grader at Junction K8
