Board Meeting- mask policy update

Comments *

Requesting conversation about the ongoing mask policy and vaccination policy (for later this year) in our schools, given that numbers are down and masks mandates have been dropped in our county. I feel (and many of my friends/colleague's in this district) that use of a mask should be an option, not a mandate for our children. If this could be a point of discussion at tonight's meeting, that would be appreciated!
