In support of masking in schools

I am completely in support of masking in the classroom, it is absolutely needed to protect students, teachers, and the family members of students. Please do not listen to a small minority of vocal but mislead and ignorant people who are pushing for no masks. Given how many children are being hospitalized due to the Delta variant, it makes sense to protect them as much as we possibly can. Masking will help to prevent outbreaks and the quarantines and shutting down of school that goes along with an [outbreak.it](#) is in the best interest of students, teachers, and the community to mask while we are in the very midst of a global pandemic. To do otherwise is sheer folly.
