MASK MANDATES FOR 2022 SUMMER SCHOOL

Comments *

Good Afternoon, I am writing to let you know that I just unenrolled my child from summer school due to the ridiculous mask mandate. Are you aware that Alameda County is the ONLY county in the ENTIRE country with a mask mandate? if you don't believe me, here is a website updated 6/3/2022, state by state. <https://www.aarp.org/health/healthy-living/info-2020/states-mask-mandates-coronavirus.html> This should speak volumes about the people we have running our county health department. This is so insane and you just follow along without questioning anything. My daughter's education has suffered at your hands for the last 2 years with these mandates & now we are doing it all over again. When will the Board stand up to this nonsense and put our kids first! That is what you took an oath to do, right? I cannot even begin to express how disappointed and frustrated I am. My daughter deserves better than this.
