Mask mandate

I am aware that the statewide mask mandate for schools has been lifted, and Alameda county and the Livermore schools are likely to follow suit. As a parent with children in Livermore schools, I urge the district to not just listen to those who shout loudest, but to listen to the majority. The majority of parents support the mask mandate for schools. Too many students are still unvaccinated, and while the downward trend in cases is promising, we are still in a pandemic. We cannot forget about the most vulnerable in our community. Keep masks in schools. Thank you.
