Mask Mandate

Hello,

Thank you for taking the time to read this message. I wanted to share my strong request that LVJUSD enforce the mask mandate in our schools.

My son, Braden, will be attending Kindergarten at Jackson Avenue School. We are so thrilled and excited for him to start school, but would not feel comfortable sending him without an enforced mask policy. Masks are currently our only fighting chance at protecting our children from this deadly disease; to not enforce something so easy that could change lives would be absolutely reckless.

Please consider our request and also remember that while the minority opinion (not enforcing the mandate) may be loud, they are few. Please protect our children.
