Support of mask mandates

Dear School Board,

In hearing that a group of parents we're going to the district meeting in opposition of a mask mandate, I am writing in support of it. We should follow the guidelines of the CDC. The parents that do not want to follow the guidelines have an alternative, the parents that want to follow CDC guidelines, a public agency, should be able to attend a public school and follow those same guidelines. I'm hoping that those kids with a medical reason or IEP that says they shouldn't wear a mask, are kept out of the regular school mainstream for now to protect the greater population. Knowing full well they want to be included, but for now we want to keep everyone as safe as possible. Thank you
