In California, mask was not needed for every politician at the Super Bowl.

Comments *

The same politician that locked businesses down, kept kids home from attending school, championed mask mandateswas at the Super Bowl without mask. You can wear double masks, PPE, gloves, face shield, unlimited vaccine shots,...do whatever makes you feel safe but leave my kid alone. For this virus, you have a lot of tools to make You safe without forcing other people to live your life style.
