**Subject \***

No more masks

---

**Comments \***

After seeing our state governor, the mayor of San Francisco, and the mayor of Los Angeles at the playoff football game this weekend maskless again, it has become even more evident that those creating these "rules" do not actually believe masks are useful. All children who were planning to get vaccinated have done so by this point. It's time to lift the mask mandates in schools and let our children learn properly and be children.
