**Subject: Re: Advocating to End Mask-Mandates for Children**

**Reply-To:** Courtney <[lee.inbox@protonmail.com](mailto:lee.inbox@protonmail.com)>

Hi LVJUSD,

I attached a PDF letter about these mask mandates that you guys are literally **forcing** on children. There is a lot of information in my letter to you guys that I'm hoping you'll at least take into account including some questions you should be asking yourselves as a heads up.

I am going to let you guys know of 1 last thing where none of us will never stop being proactive in pursuing this matter until masks become **Parental Choice throughout All** School Districts. Rather than continuously ignoring people, please listen closely to what they have to say and what they're informing you guys of at the same time too. If you guys were **truly** listening to others, then the masks throughout your school districts 100% would have been parental choice by now.

Please thoroughly read the attached letter. Yes, I admit I may have gotten side-tracked with it, but I'm also making points throughout my letter as well.

Sincerely,  
Courtney
