I just wanted to take a moment to thank the school board for keeping the safety of our kids as a top priority. I am in support of following mask mandates and will fully support vaccine mandates when they are in place as well. Thank you for modified quarantine options and testing at school for those who need it.

I'm so sorry that you are getting so much push back at this time from the loud minority. Please know there are many of us who support and appreciate what you are all doing.

Thanks,
Bianca Summerill
