Keep mask mandate

**Comments \***

Please keep the school mask mandate until the local seven- or 14-day case rate is <10/100K (currently 35/100K in Livermore), regardless of Alameda County's decision later this week.

Yesterday I received a "close contact" email from my son's school within minutes of receiving the district's email about possible changes to mask policy; clearly this pandemic is not over.
