Please Keep Our Elementary Students Safe - Masks On Inside the Classroom

Comments \*

Good morning, Board Members.

My name is Keith Pickering-Walters and I am a third-grade teacher at Lawrence Elementary School. I am excited to return to the classroom this year and would love to teach all year with my students in person.

I am writing you today to encourage you to enforce an inside mask mandate for all students, staff, volunteers, and visitors. Especially since our elementary students cannot yet receive the vaccine, but also because vaccinated individuals can carry and transmit the virus, it is critical that we remain masked.

You have been so supportive of our students, staff, and families by continuously acting in the best interest of the majority while also providing options for the minority. Thank you for this and I encourage you to continue to follow this practice.

Sincerely,

Keith Pickering-Walters

Lawrence Elementary School
