Subject: Request for Documents

To: Chris Van Schaak <cvanschaack@lvjUSD.k12.ca.us>, <cbuenotrustee@lvjUSD.org>, <yguzmantrustee@lvjUSD.org>, <eprussotrustee@lvjUSD.org>, <kwangtrustee@lvjUSD.org>, <awhitetrustee@lvjUSD.org>

Good morning Deputy Superintendent Chris Van Schaack,
I hope this email finds you well.

I am requesting the following documentation under the California Public Records Act.

The attendance reports including excused and unexcused absences of each day for each school for the month of October.

If documentation for each school is not available then just for each day for the month of October.

If documentation does not exist at this level then all documentation that could be used to build this report of attendance and absences.

Regarding the district's latest financial disclosure you state:

"The District is exploring a potential election in May 2022 for the extension of such parcel tax. In fiscal year 2021-22."

I request all documentation regarding this new parcel tax including:

- 1) Contracts, communications, and reports from GRA (Godbe Research) and McGuire Research or firms relating to surveys etc. subsequent to the documentation you provided me before.
- 2) Communications with fundraising organizations such as School PTA's, PTO's, Boosters, and other groups regarding the new parcel tax.
- 3) Budgeting for the May 2022 or other Regular or Special Election
- 4) Communications to and from LVJUSD Board Members regarding the new Parcel Tax prior to this financial disclosure
- 5) All other documentation relating to this "exploring"

All Statements of Economic Interests (Form 700).

Regarding Board Policy 2140(a)

For all years that Kelly Bowers has been Superintendent, all documents including and relating to:

Each year's performance objectives, and "For each objective, the Board and Superintendent shall identify in writing the activities to be performed, expected results and timelines, and resources or constraints which may affect achievement."

For each year, each Board member's independent rating of the Superintendent's performance in each performance objective. The annual and additional evaluations including signed and unsigned evaluation summaries.

Emailed copies of these documents back to me is fine.

Thank you!
Alan Heckman
