Note:

Please read the following as my comment- It's unjust that they restrict the "Life, Liberty and the pursuit of Happiness" and rob us and our children of that. No, enough is enough. #UNMASKOURCHILDREN I hope we can all unite to shut this down and put an end to it. This tyranny. We are for Parent Choice. It is a just fight. The hypocrisy of our government needs a re-evaluation. Call the local health department and write to as many people as you can. Ask them to Stop mandates and end emergency order now!! BREAKING NEWS 200 or more kids went maskless across schools... amazing..... what courage. That is pursuit of happiness. As we celebrate Black history month let us not forget "One has a moral responsibility to disobey unjust laws." Dr Martin Luther King Jr. " And recommendations are not laws.
