Dear LVJUSD Trustees and Dr. Bowers,

You are no doubt receiving communications, and will hear more at Tuesday's board meeting, regarding the California's K-12 indoor mask mandate. Please know there are many in Livermore who respectfully ask that you do your best to set aside the noise. Members in our community (and even those without students in our schools) certainly have the right to express their opinions, but the events unfolding in real-time around our country show that there is absolutely no need for any of you to spend a minute longer than you have to engaging with the willfully misinformed.

While so many of us are working hard at making the best of the upcoming school year, preparing our students, supporting staff, developing athletes and artists, and just trying to do what's best for our community, some would prefer that you spend precious time listening to unfounded complaints. When they're done, please do your best to get quickly back to the business of education. My confidence is high in this board and our district leadership, so thank you in advance.
