Subject: Re: 4th Grade Social Justice Unit at Arroyo Seco Elementary

Honorable Board:

I have one more question. Obviously, Mr. William's Social Justice Unit will be replacing some other curriculum. I would like to know which curriculum has been removed to make room for this new curriculum.

Thus far I have received no substantive reply to any of my questions except from Emily Prusso, who said she would forward my email to the curriculum committee.

Very Truly Yours,

Mary Moruza Costa
