TECHNOLOGIES

THE **GOLD STANDARD** IN SCHOOL SAFETY

Eliminate Uncertainty

Have full control of—and a full line of sight to—who enters your buildings.

Multiple Visitor Types

Customize the sign-in questions and have detailed reports specific to each role.

Instant Screening

Screen every visitor against sex offender and custom databases, including those with custody orders and banned visitor status.

Confirm Guardianship

Sync with your student information system (SIS) to have accurate student and guardian data and ensure you release students to only approved guardians.

Reduce Risk with Instant Alerts

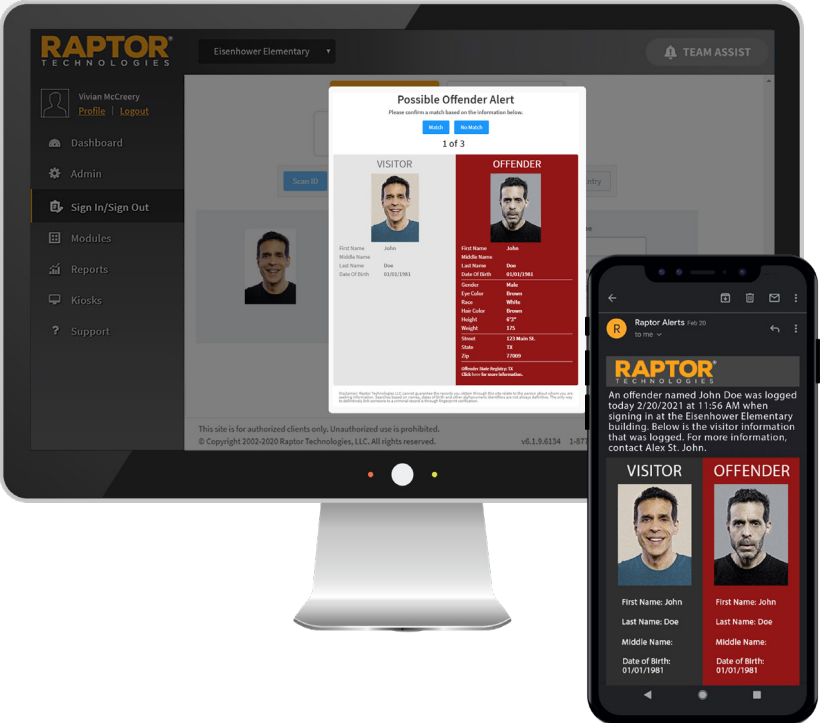

Immediately alert administrative, security, and other appropriate personnel via text and/or email when a visitor is identified as a risk.

Detailed Visitor Badges

Help staff and students recognize approved individuals with detailed visitor badges that show the visitor's role type, photo, destination, and sign-in time.

Detailed Reporting

Generate district- or school-level detailed reports in real time. Create security-focused reports for analytical and investigative purposes. Instantly query live data and historical data that spans multiple years. Reports can be run and delivered on a scheduled basis.

“Raptor works really well. Safety and security are paramount to us, and the Raptor system helps ensure that all of our learners are safe every day.”
Laramie County School District, WY

Confidently Release Students and Track Tardies

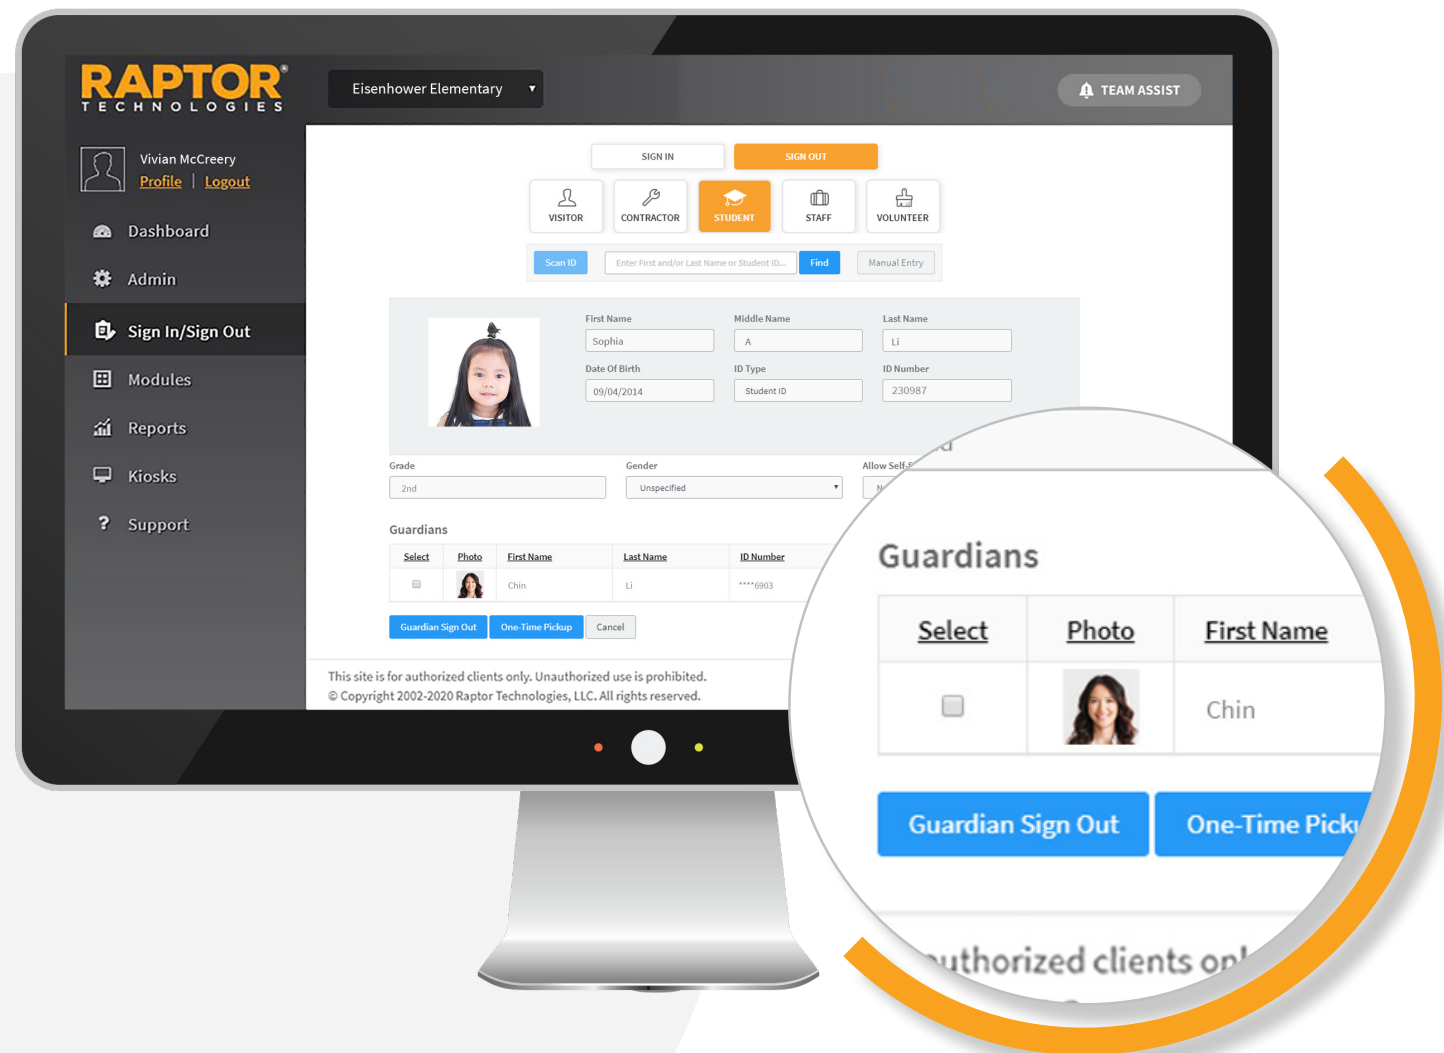

Monitor activity and confirm students leave with approved guardians.

Monitor Tardies

Quickly mark late students tardy, add a custom reason, and print a tardy slip. Tardy alerts display when a student accumulates a certain number of tardies, letting you choose an optional consequence, such as notifying guardians or assigning detention.

Track Early Dismissals

Instantly screen anyone attempting to sign out a student against the sex offender registry in all 50 states and any locally-customized databases, including custody databases. Quickly print early dismissal slips.

Manage Visitors with Minimal Staff Assistance

Greet visitors and extend the sign-in process from your front desk to your school entrance.

Screen and Track All Visitors

Visitors scan their ID, take their photo, and complete the check-in process. Badges, with an optional bar code for easy check-out, print instantly for cleared visitors.

Greet Your Visitors

Customize the "Welcome" screen with your school logo and a message. On-screen instructions (available in English and Spanish) help visitors navigate the check-in process.

Allow Self-Sign-In/Out

Approved students, guardians, campus staff, and district personnel can sign themselves in/out without assistance. All entrants are screened before being cleared by the system.

All-In-One Raptor Kiosk

Perfect for your school entrance or secure vestibule, this all-in-one kiosk station has a 15.6" touchscreen, built-in 2D barcode scanner, camera, and optional passport scanner.

Custom Kiosk

Build your own kiosk station with a district-owned computer or Windows® Surface Pro tablet that is equipped with Raptor Visitor Management.

Confidently Respond to COVID-19

Screen students, staff, and visitors for COVID-19 exposure and facilitate contact tracing.

On-site Health Screening

Add custom health screening questions to your check-in procedure and receive immediate notification if someone deemed a risk attempts to sign in.

Track Vaccination Status

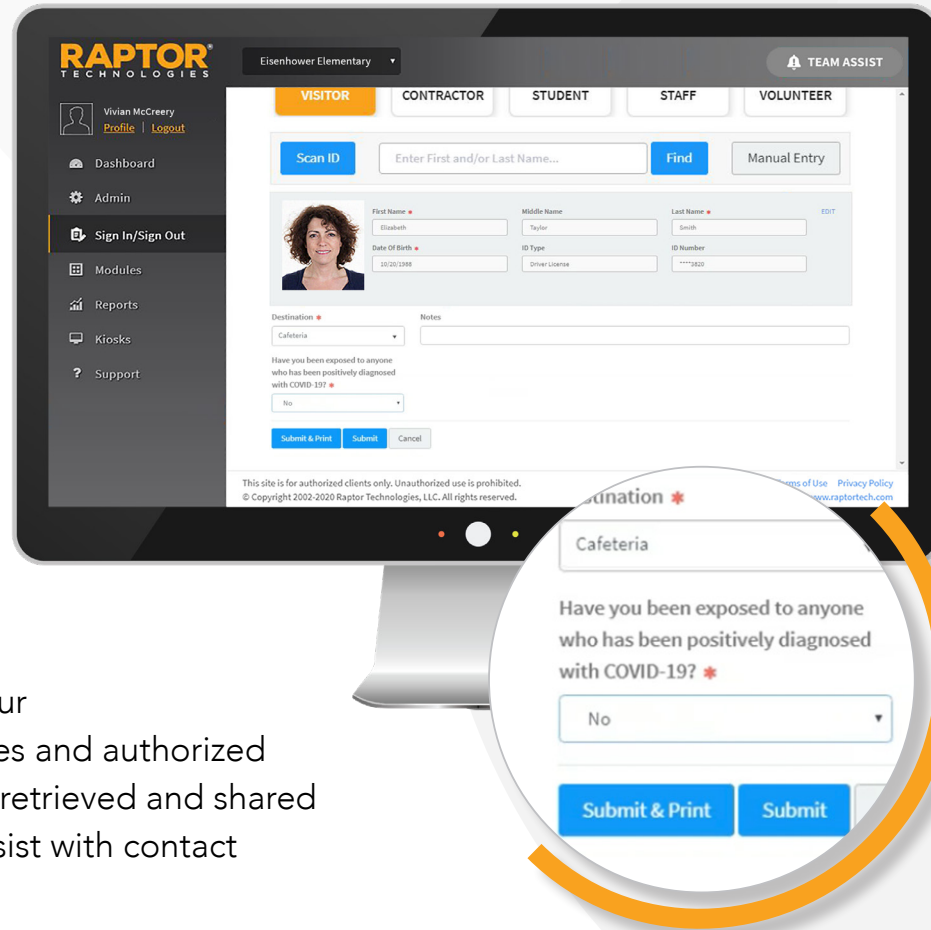

Inquire if visitors and volunteers are vaccinated by designating a custom check-in field as a verified vaccination status question.

Contact Tracing

Comprehensive reports show entry details of all persons across your campuses, including sign-in/out times and authorized locations. The report can be quickly retrieved and shared with health officials and others to assist with contact tracing efforts.

Ease Community Anxiety

Printed badges show the visitor's photo, name, date, and time of entry, as well as specific destination within the school or an optional COVID-19 screening clearance statement. The badge allows you to identify the visitor with their photo as they wear a face covering.
