Please see email below regarding support schedule from [REDACTED] sent to parents today.

Can the school board kindly provide a solution for assisting with pick-up for [REDACTED] children? This would allow her to provide consistent support for our students, given that she is not available before school or lunch?

Thank you.

Subject: Algebra 1 - Important info

To: <[REDACTED]>

Good afternoon,

I just wanted to give ya'll a heads up on a few upcoming items.

• **6.1,6.2,6.5 Quiz - This Friday!**

- Review slides for 6.1 as well as 6.1, 6.2 and 6.5 are posted in Schoology by clicking the "Student/Parent Resources" folder and then clicking Ch.6.
- I have also posted a link to a Quizlet of flashcards for the common powers. Many students are having difficulty knowing their powers like they know their multiplication facts and these digital flashcards are helpful. This quiz will be very difficult if students do not know their powers.

• **Progress reports - submitted this Friday**

- Trimester #2 progress reports will be mailed next week. I will send mine out on Thursday as well as "in danger of failing" emails this week.

- I will also be sending reminders to students/parents who have NOT received mastery on one or more of their assessments so that you are aware of quizzes that are still available to retake.
- The quiz we take on Friday will NOT be on the T2 progress reports.
- **Support schedule - posted in Schoology**
 - My support calendar changes weekly due to the nature of my husband's job and my kids. I try to get my schedule figured out for the week on Sunday and it's always posted in Schoology by clicking the "Support Schedule" folder in Schoology.
 - If there are any changes last minute, it is due to my husband being forced into overtime at the firehouse and not having anyone to pick up my kids from school so I need to leave to do so. Thanks for your understanding!

Per usual, email me with any questions or concerns and I will do my best to help any way I can.

Happy Tuesday!
